## Student Photo Journal Homework Assignments

Name: \_\_\_\_\_

Assignments must be handed in via email to: [missy.green@asu.edu](mailto:missy.green@asu.edu) or uploaded through my weebly site (<http://mgreenasuprep.weebly.com/>), no later than 5pm on Mondays. Email subject and/or uploaded photo file should be titled to match the photo description from this list.

Each assignment is 10 points each. Late assignments will lose up to 2 points each time. 10 assignments must be handed in by the end of each quarter.

Choose from the list below what you wish to photograph each week (you do not need to complete the list in any specific order). Be creative with your interpretation of the photograph and feel free to use any photo-editing program or app available to you. Cell phone cameras (smart phones) are allowed and in fact encouraged to use for these assignments. Please keep your own record of your assignments.
