Macro-close up

I took a close up picture of a charger.

Point of view

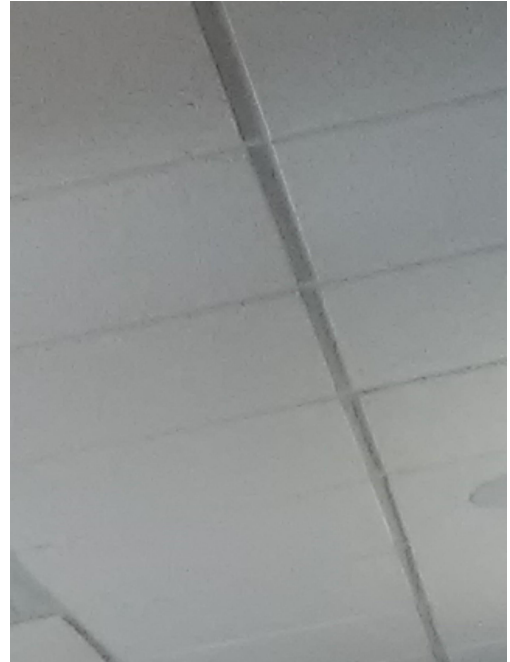

I put the lego person on the water fountain

While it was running.

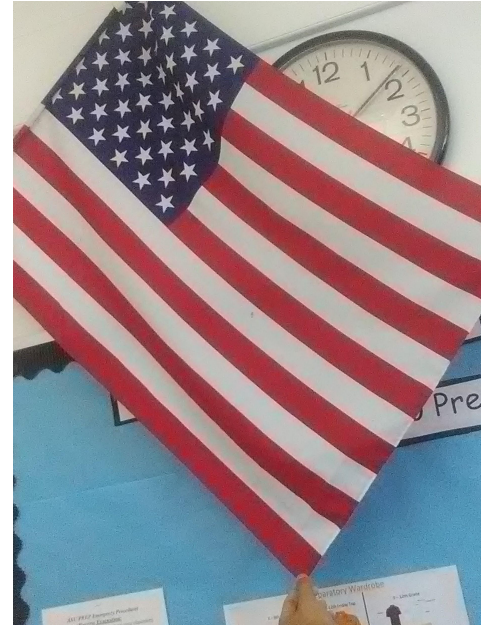

Lines

I took a picture of the ceiling because the lines
Looked perfect.

Pattern

I took a picture of the american flag because of the pattern had a Assortment of colors.

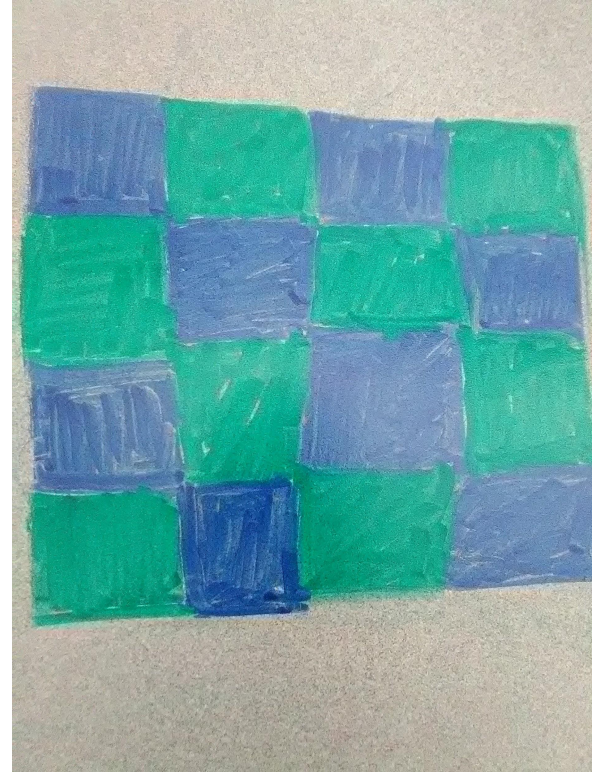

Texture

The tree branches had very good texture so i took a picture of it.

Space

You can see the positive and the negative by that i mean the colors blue, green.

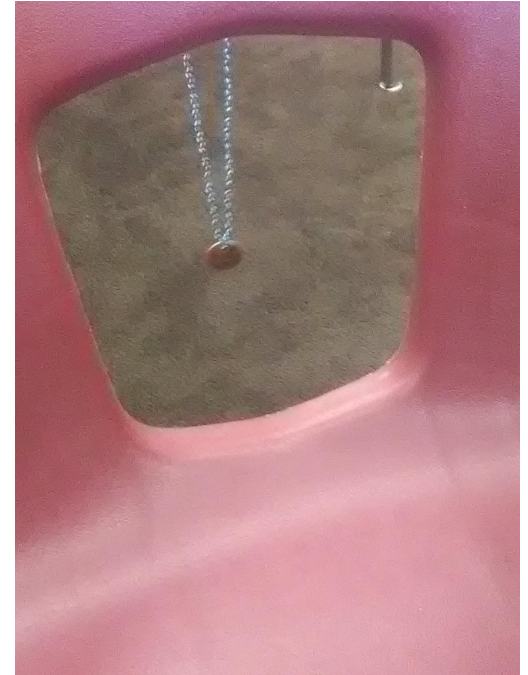

Balance

This picture had great balance in it because of the glasses looking at the basketball net.

Frame

I took a picture of the back of the seat because it looked like a frame.

Color

My color was purple and the side of the book had purple and it looked good.
